From: Spirit AeroSystems Procurement Quality Assurance Organization

**Subject: Quality System Approval of - AS9100
#Name?**

Attention: Paul Clegg

Spirit AeroSystems has granted your company a supplier approval at the following level:
AS9100 - (Contingent on continued 3rd party certification)

This approval does not include or imply any authorization to perform the special processes that require separate qualifications and approvals as contractually flowed by Spirit AeroSystems.

The retention of this approval is contingent upon continued compliance with Spirit AeroSystems quality system requirement. This approval does not constitute a waiver of any inspections, tests, or other requirements of the contract, nor does it guarantee acceptance of the articles produced. This approval may not be reproduced for advertising or sales purposes, nor may this approval be used for the manufacture, sale, or shipment of any article to any company or individual other than Spirit AeroSystem's prior written consent.

Questions regarding your quality system approval should be directed to the undersigned and/or your Procurement Quality Representative.

Sincerely,

Mark W. Turner
